

1.

- A. Caratteristiche e funzioni di un sistema informativo per la gestione di patrimoni immobiliari
- B. Quali sono gli elementi che caratterizzano un contratto di servizio di pulizia e igiene ambientale?
- C. Quali sono le funzioni e i compiti del Rettore?

ENG. "This is serious. It is time to confirm or redefine the model of university we want for Trentino". The message that rector Flavio Deflorian addressed to the policy makers who will be involved in the upcoming election is clear and direct. It is a call to make the University of Trento, and its research and education, a political priority, and an invitation to believe in the University as a driver of the economy and the development of the region.

2.

- A. Quali sono le principali attività in capo all'assuntore di un servizio di manutenzione ordinaria dei presidi antincendio?
- B. Quali sono gli elementi che caratterizzano un contratto di servizio di sgombero neve?
- C. Cos'è e di cosa si occupa la Consulta dei Direttori?

ENG. The issue of funding is determinant: "We will do our part by reducing costs. But you can't solve the problem solely by cutting expenses – the rector points out. We need a structural adjustment of the basic funds provided by the Autonomous Province of Trento, to cover the higher operating expenses". Since the agreement was passed, 12 years ago, under the delegated law, the University has grown and the economic situation has changed enormously.

3.

- A. Caratteristiche di un contratto di global service.
- B. Differenza tra manutenzione predittiva e manutenzione a guasto
- C. Cos'è e di cosa si occupa il Consiglio degli Studenti?

ENG. The University has grown significantly in the past few years and has made important choices with a desire to innovate. These choices have made UniTrento a model university, in top positions in national and international rankings. The University of Trento has always had a strong international dimension: it encourages mobility, attracts and welcomes people, expands the horizons of the territory.

4.

- A. Caratteristiche e modalità di affidamento di un contratto di servizio energia
- B. SLA e KPI: funzioni e differenze
- C. Quali sono le finalità e le funzioni dell'Università di Trento

ENG. What makes the University of Trento stand out is above all its autonomy, including in relation to the local government. "Being able to say no sometimes, to set conditions, to discuss issues respectfully is a great value not only for the University, but it is an exercise of autonomy and freedom that benefits all.

5.

- A. Il Documento Unico di Valutazione dei Rischi Interferenziali: oggetto ed esempi pratici.
- B. Quali tipologie di attrezzature e impianti sono soggette a verifica periodica?
- C. Quali sono le funzioni e i compiti del Direttore Generale?

ENG. Rector Deflorian also touched on the development of the Department of medicine and health professions. "The feeling we have is that the School of Medicine has reached a turning point. We have achieved important results with the launch of the degree programme in medicine and surgery. But now we need some adjustments to the other programmes of the School of Medicine. We all agree that without graduate schools the entire project is meaningless
