Traineeships at the Council of the European Union

A traineeship in the Council offers you:

- first-hand experience of the work of the Council
- insight into the processes and policies of the EU institutions
- an opportunity to contribute to the Council's day-to-day business
- the chance to work in a diverse environment
- an opportunity to share your fresh point of view and the knowledge you have acquired during your studies

"The traineeship has allowed me to get first-hand experience of the European policy-making process. Colleagues were fantastic in helping me get the most out of it!"

Filippo. Agriculture, Fisheries, Social Affairs and Health (LIFE)

As a trainee, you will also get the opportunity to take part in a wide range of activities, such as:

- helping out during EU and international summits
- visits to and conferences at other EU institutions in Brussels, Strasbourg and Luxembourg
- Council and Parliament simulation games
- volunteering for projects in other units

Traineeships at the Council of the European Union

What trainees do

The Council offers traineeship opportunities in many areas to suit candidates with diverse profiles. You will have to select two areas in your application.

- List of traineeship areas for the main programme (updated July 2023)
- List of areas for Positive Action Programme (updated August 2023)

As a trainee, you will be working in one of the teams of the General Secretariat of the Council. Overall, there are two main types of jobs available:

1. If you are working in a policy team, you will be involved in activities related to the legislative work of the Council and the preparation of meetings. The Council's policy work includes areas such as:

- economy and finance
- environment and climate
- foreign affairs
- justice and home affairs

2. If you are working in a support team, you will be involved in activities that support the cross-sectoral work of the Council in areas such as:

- Communication and media relations
- Human resources
- Information technology (IT)
- Translation
